Dear Senator Ige,

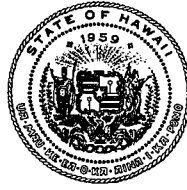

This letter is to inform you of my intent to perform my duties, capably and willingly while serving as a member of the *Statewide Health Coordinating Council*, should the Senate approve and reconfirm my nomination for a second term. This would apply to the July 1, 2009 to June 30, 2013 term.

During this current term, although I was still learning the various nuances, I fully enjoyed being apart of the CON process. I believe I've made a positive impact in this ever so important and essential process and I look forward to 4 more years of making a positive contribution as a SHCC member. If you have any questions, please feel free to call me at (808) 487-4900.

Sincerely,
