LATE TESTIMONY

Aloha Madam Chair, Madam Vice-Chair, and Members of the Hawaiian Affairs Committee,

Mahalo for providing us this opportunity to submit testimony on an issue of tremendous significance to descendants of Hawaiian Kingdom Nationals, both Kanaka Maoli and non-Maoli.

We request the support of your committee to establish a moratorium to protect the corpus of Hawaiian lands unlawfully seized by American businessmen and their accomplices from the sale by the state of Hawaii.

The time for change has come, the time for justice is here.

Therefore, those Hawaiian lands throughout Ko Hawaii Pae Aina (Hawaiian Archipelago) that the state refers to as "ceded lands", should be placed under a trust reflecting the language contained in Chapter 6K, of the HRS.

Mahalo a nui loa.... Isaac Harp, Tammy Harp, Jacob Harp, Cherish Harp, Aukai Waiohu, Kihei Soli Niheu. (808) 885-8540 ?questions
