Department of Labor and Industrial Relations (DLIR)

**Re: H.B. No. 924 Relating to Collective Bargaining**

**I. OVERVIEW OF PROPOSED LEGISLATION**

The purpose of this proposal is to clarify the procedure for using first class mail by the Hawaii Labor Relations Board (HLRB) to notify parties of a hearing, notwithstanding section 91-9.5, Hawaii Revised Statutes (HRS). The bill also amends section 89-9, HRS, by repealing wording that is not in effect and updating statutory references.

- The department strongly supports this Administration proposal.

**II. CURRENT LAW**

Current law requires the Board to use registered or certified mail to notice the parties.

**III. COMMENTS ON THE HOUSE BILL**

The proposal would permit the HLRB to more efficiently allocate resources. Currently, HLRB spends \$3600 a year for postage expenses. This measure would allow the board to realize savings of 77% or about \$2200 per year. The money from the postage savings would be used in developing an electronic filing system and is the first step in HLRB's strategic planning efforts to move the agency into the digital age with a goal towards paperless litigation and electronic filing and document management.

**Re: H.B. No. 924 Relating to Collective Bargaining**

**I. OVERVIEW OF PROPOSED LEGISLATION**

The purpose of this bill is to clarify the procedure for using first class mail by the Hawaii Labor Relations Board (Board) to notify parties of a hearing, notwithstanding section 91-9.5, Hawaii Revised Statutes (HRS). The bill also amends section 89-9, HRS, by repealing wording that is not in effect and updating statutory references.

**II. CURRENT LAW**

HRS section 91-9.5(a) states:

Unless otherwise provided by law, all parties shall be given written notice of hearing by registered or certified mail with return receipt requested at least fifteen days before the hearing.

### **III. COMMENTS**

The HLRB supports this bill.

Governor Abercrombie's New Day plan envisions transforming state government into an efficient and effective enterprise. If enacted, this measure would allow the board to more efficiently allocate resources. In addition, this is the first step in the board's strategic planning efforts to move the agency into the digital age with a goal towards paperless litigation and electronic filing and document management.

The Board spends a yearly average of \$3600 for postage expenses. This measure would allow the board to realize savings of 77% or about \$2200 per year. Last year, the Legislature authorized the Labor and Industrial Relations Appeals Board to mail its hearing notices by first class mail.

The money from the postage savings would be used in developing an electronic filing system.

The remaining amendments contained in the bill are housekeeping and are non-substantive. The bill repeals outdated wording in section 89-9(a) and updates references to 87-4 and 87-1 that were repealed and replaced by chapter 87A, HRS.

Thank you for allowing us the opportunity to testify in support of this bill.
