In Support of SB678 SD1 – February 22, 2013

THE SENATE  
THE TWENTY-SEVENTH LEGISLATURE  
REGULAR SESSION OF 2013

Committee on Ways and Means  
Sen. David Y. Ige, Chair  
Sen. Michelle N. Kidani, Vice Chair

Honorable Senators:

I am writing to express my support of SB678 SD1 relating to the preservation of Hawai'i's moving images.

As producers of educational and documentary programs since the 1970's, we now find ourselves with a video library of approximately 10,000 tapes. This footage contains material on Hawaiian culture, historic events, survival skills, fishing, horticulture, geography, legends and chants, Hawaiian language, music, art and dance. It is an archive worth saving for future generations, but it is under threat from age, deterioration and obsolete equipment.

Our single hope of salvation is *'Ulu'ulu: The Henry Ku'ualoha Giugni Moving Image Archive of Hawai'i*. They are the only organized effort to help Hawai'i filmmakers preserve our collections. They not only help to digitize precious footage, but work to make that footage available to the world via their website while training future librarians/archivists in this important work.

Please continue to support 'Ulu'ulu, a media library that preserves the stories of our past for future generations. Your grandchildren will thank you.

Mahalo,

Joan Lander
