JUSTIFICATION SHEET

DEPARTMENT: Land and Natural Resources

TITLE: A BILL FOR AN ACT PROPOSING AN AMENDMENT TO ARTICLE VII, SECTION 12, OF THE HAWAII STATE CONSTITUTION TO ASSIST DAM AND RESERVOIR OWNERS.

PURPOSE: To propose an amendment to the Hawaii State Constitution, to authorize the State to issue special purpose revenue bonds and use the proceeds from the bonds to assist dams and reservoirs owners to improve their facilities to protect public safety and provide significant benefits to the general public as important water sources.

MEANS: Amend article VII, section 12, of the Hawaii State Constitution.

JUSTIFICATION: This bill would assist dam and reservoir owners by providing an economic means to bring their facilities up to current safety standards. As a result of the Kaloko disaster on Kauai and implementation of the current dam safety law, dam owners are mandated to bring their dams into compliance.

Dams and reservoirs provide many public benefits as a potential resource for agriculture, water supply, recharge, flood control, hydropower and other beneficial uses. Dams are a critical part of our state infrastructure, providing benefits upon which our communities and industries depend. Over 80 per cent of the dams in Hawaii were constructed before 1940 to support the sugarcane plantations. Due to the age of these facilities and deferred maintenance due to demise of the sugar industry, without needed safety improvements, many dams could pose risks to life and property due to dam failures. The alternative of bringing a dam into compliance would be the full or partial

removal of the structure, which would preempt the many benefits that dams provide.

Impact on the public: This bill would provide an economic means to dam and reservoir owners to bring their facilities up to safety standards and promote the retention of such dams and reservoirs for agriculture, water supply, recharge, flood control, power generation and other beneficial uses.

Impact on the department and other agencies: This bill would require the Department of Budget and Finance to enter project agreements and to issue and manage the special purpose revenue bonds.

GENERAL FUND: None.

OTHER FUNDS: None.

PPBS PROGRAM
DESIGNATION: LNR 810.

OTHER AFFECTED
AGENCIES: Department of Budget and Finance.

EFFECTIVE DATE: Upon compliance with article XVII, section 3, of the Hawaii State Constitution.
