
A BILL FOR AN ACT

RELATING TO THE ISSUANCE OF SPECIAL PURPOSE REVENUE BONDS TO
ASSIST A SEAWATER AIR CONDITIONING PROJECT IN WAIKIKI.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that support for the
2 development of efficient energy systems in Hawaii, which is
3 geographically isolated from sources of oil, continues to be in
4 the public interest.

5 The legislature further finds that Kaiuli Energy LLC
6 proposes to build a seawater air conditioning district cooling
7 system to serve Waikiki and nearby areas on the island of Oahu.
8 Kaiuli Energy LLC is engaged in the planning, design, and
9 construction of such a system, including a seawater air
10 conditioning district cooling facility and chilled water
11 distribution system, using cold, deep seawater as the primary
12 cooling source.

13 The legislature further finds that the issuance of special
14 purpose revenue bonds and refunding special purpose revenue
15 bonds under this Act to assist Kaiuli Energy LLC in constructing
16 its seawater air conditioning district cooling system will make
17 the development of such a system more economically feasible and

1 provide numerous benefits. Among other benefits, it is expected
2 that the seawater air conditioning district cooling system will:

- 3 (1) Provide customers with reduced and stable cooling
4 costs;
- 5 (2) Use an abundant, infinite, renewable energy resource -
6 cold, deep seawater - to provide more than ninety per
7 cent of the cooling load;
- 8 (3) Eliminate the need for cooling towers and, as a
9 result, reduce potable water use, toxic chemical use,
10 and sewage;
- 11 (4) Greatly reduce the use of harmful chemicals
12 (refrigerants) used in conventional cooling systems;
- 13 (5) Provide substantial energy cost savings compared to
14 conventional air conditioning systems;
- 15 (6) Have lower operating and maintenance costs than
16 individual building air conditioning systems;
- 17 (7) Generate millions of dollars in construction project
18 spending and also create long-term jobs relating to
19 the operation of the system; and
- 20 (8) Help the State, the city and county of Honolulu, and
21 the federal government meet goals and mandates for
22 energy efficiency.

1 SECTION 2. The legislature finds and declares that the
2 issuance of special purpose revenue bonds under this Act is in
3 the public interest and for the public health, safety, and
4 general welfare.

5 SECTION 3. Pursuant to part V, chapter 39A, Hawaii Revised
6 Statutes, the department of budget and finance, with the
7 approval of the governor, is authorized to issue special purpose
8 revenue bonds in a total amount not to exceed \$200,000,000, in
9 one or more series, for the purpose of assisting Kaiuli Energy
10 LLC, for financing or refinancing the costs relating to the
11 planning, design, and construction of its seawater air
12 conditioning district cooling system, including costs of
13 renovating, equipping of, and acquiring land (including
14 easements or other interests therein) and other tangible assets
15 for, this seawater air conditioning district cooling system.
16 The legislature hereby finds and determines that the activity
17 and facilities of Kaiuli Energy LLC in the development of a
18 seawater air conditioning district cooling system constitute a
19 project as defined in part V, chapter 39A, Hawaii Revised
20 Statutes, and the financing thereof is assistance to an
21 industrial enterprise.

1 SECTION 4. The special purpose revenue bonds and the
2 refunding special purpose revenue bonds issued under this Act
3 shall be issued pursuant to part V, chapter 39A, Hawaii Revised
4 Statutes, relating to the power to issue special purpose revenue
5 bonds to assist industrial enterprises.

6 SECTION 5. The special purpose revenue bonds issued under
7 this Act may be issued in one or more series for a single
8 project, multiple projects, a single-project party, or multiple-
9 project parties pursuant to the authority of this Act or the
10 combined authority of this Act and any one or more other
11 separate Acts of the legislature pursuant to part V, chapter
12 39A, Hawaii Revised Statutes, and the department of budget and
13 finance may combine into a single issue of special purpose
14 revenue bonds, in one or more series, two or more proposed
15 issues of special purpose revenue bonds to be issued pursuant to
16 part V, chapter 39A, Hawaii Revised Statutes, separately
17 authorized, in the total amount not to exceed the aggregate of
18 the proposed separate issues of special purpose revenue bonds.

19 SECTION 6. The department of budget and finance is
20 authorized, from time to time, including times subsequent to
21 June 30, 2018, to issue special purpose revenue bonds in
22 whatever principal amounts the department shall determine to be

H.B. NO. 338

Report Title:

Kaiuli Energy LLC; Seawater Air Conditioning District Cooling System; Waikiki; Special Purpose Revenue Bonds

Description:

Authorizes the issuance of special purpose revenue bonds of up to \$200,000,000, for Kaiuli Energy LLC for the planning, design, and construction of its seawater air conditioning district cooling system in and around Waikiki, Oahu. Effective July 1, 2013.
