Education Commission of the States (ECS) was created by states, for states, in 1965. ECS tracks state policy trends, translates academic research, provides unbiased advice and creates opportunities for state leaders to learn from one another.

A quick peek at their website will show the incredible wealth of information that is generated by ECS:
http://www.ecs.org/html/aboutECS/home_aboutECS.htm

We are fortunate to have Jeremy Anderson, ECS President, visiting Hawaii on Monday, March 9 to share insights on educational trends across the country. Specifically, he will be speaking on the status of Common Core and how various states are implementing teacher evaluation systems.

If you require special assistance or auxiliary aids and/or services to participate in the House public hearing process (i.e., sign or foreign language interpreter or wheelchair accessibility), please contact the Committee Clerk at 586-6325 or email your request for an interpreter to HouseInterpreter@Capitol.hawaii.gov at least 24 hours prior to the hearing for arrangements. Prompt requests submitted help to ensure the availability of qualified individuals and appropriate accommodations.

For further information, please call the Committee Clerk at 586-6325.

Selected meetings are broadcast live. Check the current legislative broadcast schedule on the "Capitol TV" website at www.capitoltv.org or call 536-2100.
